

CHILDREN AT HEART MINISTRIES ...

Children At Heart Ministries supplements administrative, accounting, human resources, information technology services, fundraising, and communications services to our family of ministries at no cost. These affiliate arrangements allow our family of ministries to significantly control general administrative and fundraising costs, which maximizes donor gifts for direct care of children and families in need.

ABOUT OUR MINISTRIES ...

GRACEWOOD

Helping children and their single mothers rise above.

At Gracewood, we allow single mothers and their children who find themselves in crises to hit the pause button and refocus their future toward safety, happiness, and independence. By guiding them in their pursuit of independence, they learn the basic tools they need to make long-term, quality-of-life improvements.

MIRACLE FARM

Forging young men of integrity and character.

Rooted in Christian faith and western heritage, our one-of-a-kind ranch helps struggling young men experience healing, earn an education, and learn respect. Through our innovative horse program and on-site academic and vocational training, young men establish and achieve goals for a lifetime, and learn to believe in themselves as something more than society has painted them to be. It all happens in a safe, structured environment where they have the opportunity to turn their lives around and become responsible young men.

TEXAS BAPTIST CHILDREN'S HOME (TBCH)

Embrace. Empower. Equip.

Texas Baptist Children's Home embraces children and families in need in order to empower and equip them for a promising future. Children and single mothers, and youth aging out of foster care or facing homelessness, who come to TBCH are often lost, hurting, and hopeless, without a place to turn for help during their time of greatest need. Our residential program provides a safe home and a stable family environment where they can learn, grow, and ultimately experience a happy, healthy future.
