

"I'm thankful for TBCH giving my mom, big brother, and me a place to live and helping my mom not to be so stressed out. Here, we are a part of a community that loves us and we've been able to still participate in sports, which I really like! When I grow up, I want to donate to an organization like TBCH to continue to help families and kids that need a place to call home."

BEBO

"I'm so thankful for TBCH being a place where I could experience something that was lacking in my life: a safe place, unconditional love, and a faith-founded family. Those are things that I never had as a child and I'm so grateful."

ANNIE

"They saw something in me that I didn't see. Looking back, I know God was in control. Wherever life leads me, I will owe so much to my family at TBCH."

Texas Baptist Children's Home is part of the Children At Heart family of ministries, which includes Gracewood and Miracle Farm.

We are a family of Christian ministries that exists to honor God and build a better world by serving children and strengthening families.

**EMBRACE.
EMPOWER.
EQUIP.**

ABOUT TEXAS BAPTIST CHILDREN'S HOME ...

Texas Baptist Children's Home (TBCH) **embraces** children and families from hard places. Often, the children and single mothers who come to TBCH are lost, hurting, and hopeless, without a place to turn for help during their time of greatest need.

Based on Christian values, TBCH **empowers** children and families through a holistic and innovative trauma-informed approach. It is important that they find the love and acceptance they need in order to begin their healing journey.

TBCH **equips** them for a promising future by offering individualized case management, mentoring, life skills training, financial literacy, tutoring, and scholarship assistance. These are essential tools that help children and families thrive physically, emotionally, and spiritually.

TBCH PROVIDES:

- A place to call home
- A safe place to heal
- A faith-based community
- An individualized plan of care
- Licensed professional counseling for children and families
- A trauma-informed approach to care utilizing Trust-Based Relational Intervention® (TBRI®) principles
- Financial guidance, parenting skills, and other helpful training
- Recreational programs and extracurricular activities
- Transitional living for young adults aging out of foster care or facing homelessness
- Ongoing support and access to services after graduating from the program
